DESCRIPTION

This charming finca in Mediterranean-rustic style stands out for its simplicity and the charm of its preserved original materials. Located just 5 minutes from Palma, the property is spread over two floors and includes several buildings on a spacious 7,000 m² plot. The finca has an electricity connection and its own well, making it self-sufficient and highly functional.

This property is perfect for those seeking a retreat near the city, with the charm and serenity of the countryside.
